

ALVITE ECOTAN (DEMOSCORE - PORTUGAL)

ECO AVA (WHITE INDUSTRIES - SOUTH KOREA)

ECOTAN AT LINEAPELLE

ALVITE ECOTAN (Demoscure - Portugal)

Alvite Ecotan is a luxuriously embossed nubuck leather on bovine skins. It showcases a velvet-like softness paired with a rich purple hue, providing an opulent yet sustainable choice for both footwear and leather goods.

ECO AVA (White Industries - South Korea)

The vivid lime yellow of Eco Ava. This grid effect embossed bovine leather merges eco-conscious Ecotan tanning technology with bold aesthetics, making it a standout choice for those seeking a sustainable yet stylish option.

GREEN SOFT (Polaris Tannery - Italy)

It is unmatched the softness and versatility of Green Soft, a cyan-hued milled leather produced with Ecotan technology. Ideal for creating luxurious leather goods that effortlessly blend comfort and style.

MARRADO PEBBLE (Volpi Tannery - Italy)

The Marrado Pebble's is a perfect expression of veg-tanned supple softness. Crafted with Ecotan tanning technology and adorned with a unique pebble pattern, it is the ultimate choice for high-performing footwear and leather goods.

TERRA JURASSIK (Hashtag Tannery - Italy)

All to be discovered the enchanting effect achieved on Ecotan suede leather, Terra Jurassik. Its pattern creates a captivating visual journey, that bring back to the era of ancient times.

WALL-E (Antiba Tannery - Italy)

Timeless elegance for the Wall-E goat leather, crafted with Ecotan technology. With its waxed finish and milled texture, it offers both classic appeal and environmental responsibility.
